3777 University Ave.
Gurnee, IL 60031

Education

Warren Township High School *Gurnee, IL*
Accounting, Honors Spanish 1-3, Personal Finance

Graduation: May 2017
GPA: 3.62

Work Experience

WTHS Bookstore *Gurnee, IL* (2013-Present)

As Bookstore Manager I was responsible for forecasting inventory and ordering the appropriate amount as needed. This includes student gym wear, school spirit wear, and some school supplies. I also work on pricing and planning seasonal sales. This position expanded my ability to interact with customers and showed me the challenges of running my own business.

Involvement

Students of Service *Officer - Vice President* (2012-2013)

As a part of a community-based service organization, I was able to participate in events such as the Rake and Run and Thanksgiving with the Troops. I served as Vice President from October, 2012 to May, 2013. Responsibilities included weekly meetings, planning events, and working with the community. I participated in roughly 15 community service events annually through this organization.

Future Business Leaders of America *Officer - Bookstore Manager* (2013-Present)

FBLA is a student-run business organization with a focus on professional development and promoting business ideas in high school students. As a member of the officer team, I am responsible for planning events, directing activity period classes and monthly general meetings, in addition to my Bookstore-specific responsibilities.

WTHS Volleyball Team *Member* (2013-Present)

In addition to daily practice, I supported the teams' fundraising efforts. The individual goal was to sell 10 tubs of Gourmet Caramel Popcorn in the community; I personally sold over 25 tubs and raised \$400 for the team.

Sociedad Honoraria Hispanica *Member* (Present)

I applied to this club by writing an essay expressing my leadership skills, and was elected because I showed integrity throughout my years of taking Spanish. One of the requirements that I have to maintain is a GPA of 3.5.

Professional Development

National Fall Leadership Conference *FBLA* (2013, 2014)

FBLA's annual fall professional development event includes workshops and excellent keynote speakers. Only the most active members of my local chapter were invited to attend.

Northern Area Conference *FBLA* (2014, 2015)

This conference is the first step to competing at the national level. I competed in Website Design and received 5th place. Competitors were given opportunities to hear speakers and attend workshops.
